## 5th Grade

September 2020

---

### Upcoming Events

**September 10th:** Superintendent Learning Model Recommendation at 7PM on District Youtube Channel.

**September 14th:** Virtual PTO Meeting at 7PM.

### Fifth Grade Focus

**Reading:** Students have been working on learning Thinking Strategies— the different ways come to understand something.

**Writing:** Students have been applying the Thinking Strategies in their writing in various ways. The most recent is through the Synthesis of a new version of Cinderella.

**Math:** We have been working on filling in gaps from the previous year and preparing students for 5th grade standards.

**Social Studies:** This time has been mostly used to practice Social Emotional Skills such a growth mindset as well as learning a little more about their own interests.

Thank you! Have a great September!
